Hotel “ROYAL“

The ROYAL hotel is one of the oldest hotels in Belgrade. Built during the last century, in the past hotel has a name Toplice. Located in Belgrade's downtown, in the Kralja Petra street (former 7th of July), it has easy access to the important cultural monuments of the city. Only a few minutes walking distance are the National museum, National Theatre, the Knez Mihailova street (shopping center of Belgrade), Kalemegdan... A dozen city transport lines start in the vicinity of the hotel, giving easy access to all parts of the city.
