About Zlatibor:

Dear competitors,

Zlatibor is marked by the river Susica and Uvac and eastern side of Tara mountain . It is situated 225 km south-west from Belgrade.

The average high above sea level is approximately 1000 meters. Zlatibor have very pleasant and mild climate, unpolluted air and other amenities. Mountain and sea gulfs encounter here which speed up and curing and recovering from anemia and hart diseases. Zlatibor is especially useful for disorders of the thyroid gland (The Institute for Thyroid Gland and Metabolism).

Sports fields, pools, pathway, ski paths and slopes for skiing and other various contains have been build, so the guest can satisfy their different needs.

The touristic offer has been completed with other activities such as organized visits to Mokra Gora, Museum "Old Village" in Sirogojno, waterfalls Gostilje, the Monastery Uvac in the village Stublo.

A lot of sunny days, scenty pine forests and rivers, give you an unforgettable experience of nature at her best.

Wish you worm welcome.
